ACTIVITIES

SPACE & BEYOND:

Campers design and launch high flying solid fuel rockets that soar! They see them hit the clouds and parachute back to earth!

RINGOES 500!:

Encounter the thrill of victory. Campers race self-designed & constructed high speed miniature dragsters in head-to-head competition. Always a show stopper.

STOP MOTION ANIMATION—"SANDMATION":

All campers will try their hand at becoming the next great movie director! Using sand and paper (like claymation), campers will design, direct, and film their own "sandmation" animated movie. Lights! Action! Camera!
